## 2012

**6-9 November:** WONDER minicourse *Random Optimization Problems, Random Optimization Problems*, TU Eindhoven

**31 October, 2012:** **WONDER afternoon 2012**, CWI, room Z009, Science Park Amsterdam.

**30 July - 3 August:** Poisson 2012 **conference**

**23-28 July, 2012:** Poisson 2012 **Summer School**

**18-22 June, 2012:** Summer School "Macroscopic and Large Scale Phenomena: coarse graining, mean field limits and ergodicity", University Twente.

**4-6 June, 2012 Workshop on *Parameter Estimation for Dynamical Systems* **ameter Estimation for Dynamical Systems****

**25 mei, 2012:** **LIMO** (Landelijke Interuniversitaire Mathematische Olympiade). Jaarlijkse wiskunde wedstrijd voor wiskundestudenten aan Universiteit Utrecht.

**May 11-13, 2012 PhDays** in Vielsalm in de Ardennen.

## 2011

**Feb-May 2011** Masterclass on moduli spaces

**Feb-Mar 2011** Tom Ward (UEA) teaches a graduate course on "Ergodic theory with applications to number theory" at Utrecht

**20 april 2011** First WONDER research afternoon programme at Tilburg University. Abstracts. Map Tilburg University

**21 May-19 June 2011** Constantin Teleman (Berkeley) lectures at Utrecht

**23-25 May 2011** PhD Spring meeting Stochastics, lectures by Geoff Grimmett (Cambridge) and Ernst Wit (RuG)

**19+21 Oct 2011** Regina Liu (Rutgers) teaches a crash course on statistics at Tilburg

**October 7th**, WONDER Ph.D. student colloquium, Utrecht Universiteit.

**October 7th**, WONDER afternoon (Prize ceremony and talks about the work of John Milnor), Utrecht University.
