Cross the bike path and turn left, follow the signs to the red brick Minnaertgebouw [building].

The Buys Ballot Building is connected to the Minnaert Building and the Koningsberger Building. The shortest route if you come by bus is through the Minnaert building [red brick]. Go up the flight of stairs, turn directly to your right through the glass doors. You have now entered the Koningsberger Building. There’s a little kiosk in the corner to your right; walk past this and turn left. Walk down the hall towards the glass doors passing the seminar rooms COSMOS, ATLAS and PANGEA. You are now entering the Buys Ballot Building. You will find an elevator on your left-hand side. ITP is on the 7th floor, the secretariat in room 7.13.
